

Carlisle Diocesan Guild of Church Bell Ringers

# 50/50 Club

Raising money every year for the  
Guild Bell Restoration Fund

**The purpose of the Bell Restoration Fund** is to enable grants to be made to towers in the Guild for restoration projects large and small. The majority of our towers have benefitted from a grant at one time or another. The BRF is held by the Guild in a separate account and is administered by the Trustees of the BRF.

## How it works

- ◆ Members of the 50/50 Club pay £12 per year for one number  
That is one number a month but you may have more than one!
- ◆ Anyone over 18 may be a member, including non-ringers
- ◆ Prizes are allocated amounting to 50% of the income.
- ◆ The remaining 50% is paid into the BRF account
